

# THE POWER

## OF THE WSIPC PURCHASING PROGRAM

The WSIPC Purchasing Program connects K-12 public and private schools and public agencies to a network of technology partners, leveraging the power of the WSIPC Cooperative to provide competitively bid goods and services at a reasonable cost.

Each vendor who becomes a part of the WSIPC Purchasing Program has been awarded a bid contract through an official RFP process in compliance with Washington State Procurement RCWs.

### **WSIPC Purchasing Program Awarded Contracts**

Bid-awarded vendors are identified on the WSIPC website [wsipc.org/bid-contracts](https://www.wsipc.org/bid-contracts) and can be searched by awarded RFP category. Bid documents, product and contact information are available on each vendor page.

**To utilize the WSIPC Purchasing Contracts:** entities must have an active purchasing Interlocal Agreement in place with WSIPC. View current ILA list at: [wsipc.org/interlocal-agreements](https://www.wsipc.org/interlocal-agreements). To complete an Interlocal Agreement, please contact Cynthia Gefeller, [cgefeller@wsipc.org](mailto:cgefeller@wsipc.org).

**When submitting a purchase order or RFQ to vendor:** entities should include the specific contract number (identified for each awarded vendor) on communication with vendors, requests for pricing and on the vendor PO.
