THE POWER
OF THE WSIPC PURCHASING PROGRAM

The WSIPC Purchasing Program connects K-12 public and private schools and public agencies to a network of technology partners, leveraging the power of the WSIPC Cooperative to provide competitively bid goods and services at a reasonable cost.

Each vendor who becomes a part of the WSIPC Purchasing Program has been awarded a bid contract through an official RFP process in compliance with Washington State Procurement RCWs.

WSIPC Purchasing Program Awarded Contracts
Bid-awarded vendors are identified on the WSIPC website **wsipc.org/bid-contracts** and can be searched by awarded RFP category. Bid documents, product and contact Information are available on each vendor page.

To utilize the WSIPC Purchasing Contracts: entities must have an active purchasing Interlocal Agreement in place with WSIPC. View current ILA list at: **wsipc.org/Interlocal-agreements**. To complete an Interlocal Agreement, please contact Cynthia Gefeller, cgefeller@wsipc.org.

When submitting a purchase order or RFQ to vendor: entities should include the specific contract number (identified for each awarded vendor) on communication with vendors, requests for pricing and on the vendor PO.

WSIPC RFP Awarded Vendors

RFQ 01-48 Software Licensing
