## Web Developer – Full Stack

WSIPC – Reference # 210801

Salary Range: \$74,016 - \$92,563

### Why WSIPC? At WSIPC We Take Pride in Nurturing a Culture Where...

**We are a team** – We care about the growth and development of our people and the Cooperative.

**We pursue excellence** – We are continuously learning and striving to improve our skills, services and culture.

**We are passionate and creative** – We are inspired by our Cooperative members to innovate and develop solutions that best fit their needs.

**We are accountable and supportive** – We take responsibility for our decisions and collaborate to ensure the best outcomes.

**We communicate honestly** – We work in a transparent, open, and trust-based environment.

**We have serious fun** – We take the time to enjoy ourselves, because hard work and innovation are fueled by a good work-life balance and a lot of personality.

**We serve our community and we are our community** – We are part of the community we serve and we are invested in its success.

### About the Position

WSIPC is seeking a seasoned Full Stack .Net Developer to design, code, and modify visually appealing applications that are user-friendly and easily navigated as part of the web applications associated with the My School Data suite of products. The developer is responsible for building and managing all the stacks of the application including Front-end, Back-end, database, version control, server, and APIs, as well as employing security principles that reinforce the integrity of the product and protect personal data. The individual will be part of a cross-functional team that's responsible for the software development life cycle from conception to deployment.

### Ideal Candidate Qualifications

- Proficiency in, or excellent working knowledge of:
  - C#, JavaScript, Bootstrap, JQuery, HTML, CSS, Kendo UI and MVC, .NET MVC and .NET Web Forms, MSSQL, SAML 2.0, ADFS, LDAP, WS-Fed, JSON, Web API 2.0, Git/Bitbucket, IIS, SSL
- Ability to clearly articulate ideas to both technical and non-technical audiences
- Highly self-motivated and directed
- Excellent attention to detail and high level of accuracy
- Excellent analytical and creative problem-solving skills
- Effectively work in a team-oriented, collaborative environment
- Ability to work additional hours to meet deadlines

### Employment Benefits

This is a full-time position. WSIPC provides a comprehensive benefits package including but not limited to thirteen holidays, medical, dental, vision, and paid sick leave. Visit [www.wsipc.org](http://www.wsipc.org) for a full list of benefit offerings.
