

# IEP Online Connect

## Increase family engagement in all aspects of a student's education

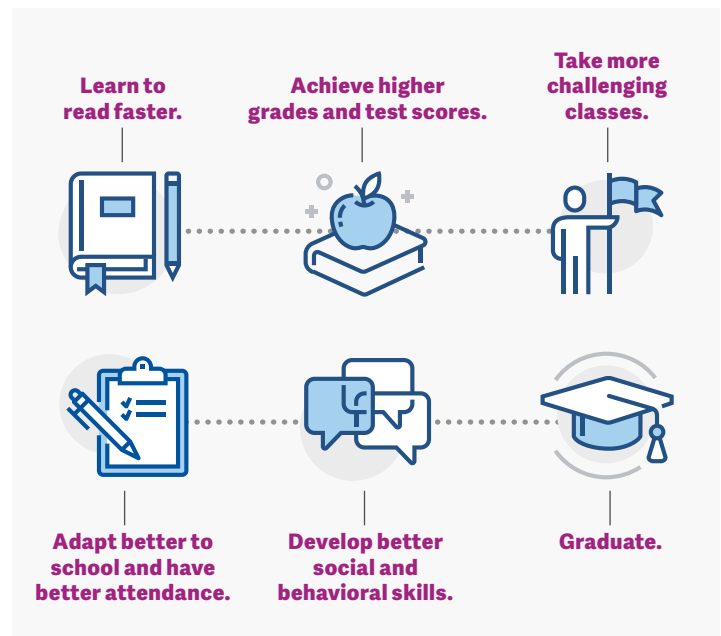

IEP Online Connect is a comprehensive online portal designed to help districts, administrators, and educators promote family involvement in a child's education. Educating a child can be a multifaceted and paperwork-intensive process with teachers, families, administrators, and others all needing to provide input—whether it's signing an Individualized Education Program (IEP) or reviewing documents. With IEP Online Connect, caregivers have a centralized, secure place to access student records online in their native language, review and sign documents, and save time through a user-friendly tool.
