PURCHASING PROGRAM

The WSIPC Purchasing Program connects education and public agencies to a network of technology partners, leveraging the power of the WSIPC Cooperative to provide competitively bid goods and services at a reasonable cost.

Each vendor who becomes a part of the WSIPC Purchasing Program has been awarded a bid contract through an official RFP process in compliance with Washington State Procurement RCWs.

➢ Awarded vendors, bid documents, product and contact information are identified on the WSIPC website at wsipc.org/bid-contracts.

➢ To utilize the WSIPC Purchasing contracts, entities must have an active purchasing Interlocal Agreement in place with WSIPC. To complete an Interlocal Agreement, please contact Cynthia Gefeller, cgefeller@wsipc.org.

➢ Include RFP contract number on all communications, requests for pricing, proposals, and the PO to the vendor.
