N-Tier Web Application Developer

WSIPC – Reference # 220103

Salary Range: \$74,016 - \$92,563

Why WSIPC? At WSIPC We Take Pride in Nurturing a Culture Where...

We are a team – We care about the growth and development of our people and the Cooperative.

We pursue excellence – We are continuously learning and striving to improve our skills, services and culture.

We are passionate and creative – We are inspired by our Cooperative members to innovate and develop solutions that best fit their needs.

We are accountable and supportive – We take responsibility for our decisions and collaborate to ensure the best outcomes.

We communicate honestly – We work in a transparent, open, and trust-based environment.

We have serious fun – We take the time to enjoy ourselves, because hard work and innovation are fueled by a good work-life balance and a lot of personality.

We serve our community and we are our community – We are part of the community we serve and we are invested in its success.

About the Position

WSIPC is seeking a seasoned Web Application Developer to design, code, and modify the WSIPC My School Data suite of applications. The developer is responsible for building and managing all the aspects of the application including Front-end, Back-end, version control, server, and APIs, as well as employing security principles that reinforce the integrity of the product and protect personal data. If you have this experience and are eager to be part of a cross-functional team that's responsible for the software development life cycle from conception to deployment, please apply.

Ideal Candidate Qualifications

- Required proficiency with:
 - C#, JavaScript, HTML, CSS, SAML 2.0, JQuery, NET MVC, LDAP, ADFS, WS-Fed, Entity Framework, SQL
- Preferred experience with:
 - Kendo UI and MVC, Bootstrap, Git/Bitbucket, IIS, .NET Web Forms, JSON, Web API 2.0
- Ability to clearly articulate ideas to both technical and non-technical audiences
- Highly self-motivated and directed
- Excellent attention to detail and high level of accuracy
- Excellent analytical and creative problem-solving skills
- Effectively work in a team-oriented, collaborative environment
- Ability to work additional hours to meet deadlines

Employment Benefits

This is a full-time position, not a contract. WSIPC provides a comprehensive benefits package including but not limited to thirteen holidays, medical, dental, vision, and paid sick leave. Visit www.wsipc.org for a full list of benefit offerings.
