

WSIPC RFP 22-02 Learning Management System Solutions

RFP Bid Addendum I

August 24, 2022

The following corrections, questions, and clarifications are provided concerning WSIPC RFP 22-02, Learning Management System Solutions. Paraphrasing of the relevant questions posed to the WSIPC RFP Contract Administrator have been included as appropriate.

QUESTIONS AND CLARIFICATIONS:

Q1 – In Appendix D, one of the requirements is to “provide a catalog of core and elective courses, aligned with WA state standards, including CTE. Are you asking that we provide course content alignment or a catalog of pre-made content?”

A1 – **Provide course content alignment. However, if you have pre-made content, we would want to know that too.**

Q2 – The RFP states that “All RFP documents must be combined into one document before zipping or compressing the file.” However, Appendix E - Vendor Cost Proposal Pricing Form was provided in an Excel format. Are we supposed to provide the RFP as one combined PDF document or should we provide Appendix E as a separate excel attachment?”

A2 – **Appendix E should be saved as a PDF and incorporated into the combined response document. If you have issues or trouble combining Appendix E, please let us know when you send your response and include it as a separate attachment.**
