

Since 2005, Public Consulting Group (PCG) has provided Washington school districts with innovative, customized solutions that raise organizational performance, maximize Medicaid revenues, improve special education services, and help position students to succeed in college and in careers.

DESIRED OUTCOMES	HOW PCG CAN HELP	PROVEN RESULTS
 <p>Plan, implement, and manage students Individualized Education Programs (IEPs) while increasing teachers' time with students.</p>	<p><b>IEP Online™</b></p> <p>Helps educators effectively manage special education and meet state and federal reporting requirements.</p>	<p>IEP Online is the most popular solution for IEP and 504 management in WA today, supporting more than 110,000 students with disabilities.</p>
 <p>Leverage technology that empowers and encourages meaningful family engagement in the IEP process.</p>	<p><b>IEP Online™ Translation</b></p> <p>Instantly produces translated key documents for families in their native language, powered by Google technology.</p>	<p>Since the launch of PCG's translation solution in 2016, IEP Online currently offers 8 of the top 10 languages spoken in Washington State.</p>
 <p>Use data to target instruction and proactively impact student achievement.</p>	<p><b>EDPlan™ Progress Track</b></p> <p>Improves student outcomes through consistent data collection across the district, trend tracking, and robust reporting.</p>	<p>PCG's Progress Monitoring with Data Collection module is helping educators leverage powerful data to target instruction, impact student achievement, and track student progress.</p>
 <p>Streamline service documentation and reporting. Optimize reimbursement.</p>	<p><b>PCG Medicaid Services</b></p> <p>EasyTrac™ simplifies service documentation and puts data at administrators fingertips to effectively monitor and analyze service documentation and delivery.</p>	<p>PCG's EasyTrac service documentation system is implemented at more than 1,700 school districts. PCG has assisted school districts with receiving over \$11 billion in reimbursement.</p>
 <p>Increase family engagement in all aspects of a student's education.</p>	<p><b>IEP Online™ Connect</b></p> <p>PCG's parent portal to allow families to access documents as well as sign documents securely. Connect is designed to help districts, administrators, and educators promote family involvement in a child's education.</p>	<p>Research shows that family engagement produces students who are more likely to learn to read faster, achieve higher grades and test scores, take more challenging classes, adapt better to school, and have better attendance.</p>
 <p>Position every student for success from early learning through college and careers.</p>	<p><b>EDPlan™ Insight</b></p> <p>Designed to help districts, administrators, and educators leverage data to positively impact student learning, promote teacher effectiveness, and gain meaning insights into school improvement initiatives.</p>	<p>EDPlan Insight can help you use data more effectively to personalize learning for student success, inform instruction and intervention strategies, and drive school improvement.</p>

IEP Online meets all Washington State IEP requirements and follows the standards provided by the Office of Superintendent of Public Instruction.
