## A Better ERP Experience BECAUSE YOUR PEOPLE ARE YOUR GREATEST ASSET.

# The central office is home to the unsung heroes of education. A better experience for your students starts right here, behind the scenes.

The traditional role of a software provider has changed. A longstanding emphasis on features and functionality has given way to an understanding that the user experience is what's most important.

For Skyward<sup>®</sup>, it's not just about getting the job done, but also about what you experience along the way. By empowering your district with streamlined, user-friendly technology and steadfest support, we aim to be the driving force behind a more productive, collaborative, and successful learning environment.

It's financial and human resources technology, tailored to K-12.

### **Discover Qmlativ**

Omlativ<sup>®</sup> Education Management System, the latest evolution of Skyward technology, is the epitome of a better SIS and ERP experience.

Built to leverage the latest technology, Qmlativ is more than a promise of features and functionality. This SQL-based platform combines an enjoyable user interface with preemptive support measures and a focus on the growth and development of every user.

Qmlativ has been empowering school districts since 2014. Throughout that time, Skyward has continuously worked to further develop and fine-tune the system, ensuring your needs are met today and well into the future.

"Today I experienced first-hand what **modernization** of school administration software looks like in my intro to Qmlativ."

- Dr. R.J. Gravel, Associate Superintendent for Business Services/CSBO Glenbrook High School District 225, IL

### Focus on Culture IMPROVE PROCESSES. EMPOWER EMPLOYEES. DEVELOP HIGH PERFORMERS.

Your mission starts with your people. With the right tools, they won't just be more productive—they'll be happier too.

#### REMOVE RED TAPE

- Nobody enjoys bureaucracy. By automating your workflows and approval processes, you can remove a major source of frustration for your employees.
- Reduce steps needed for core tasks such as reporting, reimbursement, and payroll.

### BE A BETTER LEADER

for reading and abiding

- Is your leadership team still leaning on spreadsheets? With Administrator Access, it has never been easier to tackle the responsibilities of management.
- Awareness is the key to effective leadership. Base your coaching conversations on solid data, not just observation.

### NURTURE AND GROW

- With ongoing development opportunities, you can be sure that your team will feel welcomed, challenged, and supported.
- Self-service, multimedia, and just-in-time help options build staff confidence and drastically reduce troubleshooting calls to your IT staff.

# Clock Out from Risk

### TRUST YOUR DATA. INSTITUTE CONTROLS. REDUCE ERRORS.

From honest mistakes to malicious intent, no school or district is immune to risk. But there's plenty you can do to stay protected and compliant.

### TRACK TIME, SAVE TIME

- Payroll error rates increase when personnel have to interpret hand written time sheets or manually enter data. Make sure every payroll is accurate with Qmlativ's electronic timekeeping solution.
- Live tiles show real-time stats, while charts and graphs make data easy to consume and custom reports mean you'll be looking at what matters to you.

### DON'T SWEAT AUDITS

- Built-in electronic paper trails make it easy to track and identify all changes to historical records.
- You can rest easy knowing that your hosting provider undergoes an annual SASE 16 SOC 1 audit to ensure ongoing data security.

### LEAVE COMPLIANCE TO US

- Built-in reports and safeguards remove the burden of staying compliant with state and federal requirements.
- You'll have a dedicated team of specialists monitoring the guidelines in your state, so you can stay ahead of any changes.

# Make Informed Decisions ACTIONABLE ANALYTICS. REAL-TIME NUMBERS. FISCAL TRANSPARENCY.

The business office is about more than numbers. It's about using data to drive progress and be more effective at what you do.

### TRUST THE DASHBOARD

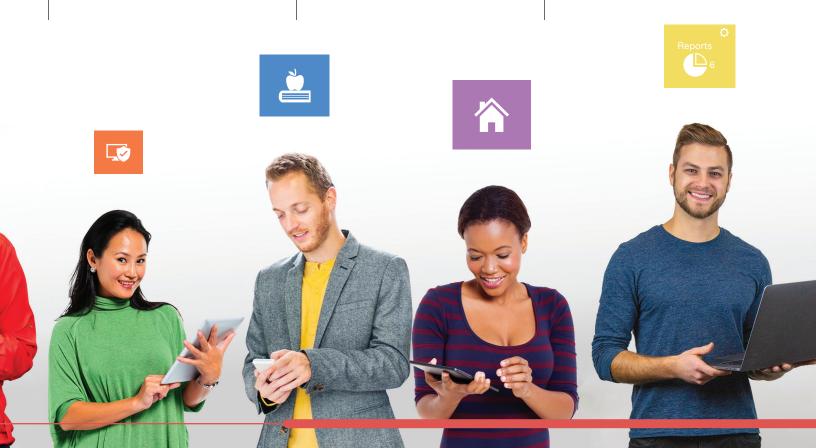

- Experience a more accessible and visually appealing presentation of vital KPIs.
- Manage your priorities. Customize your layout. Review up-to-date graphs, charts, and live data counts from the moment you log in.

### REPORT ON EVERYTHING

- The benefit of a built-in report writer means you don't need to know how to program to get beautiful, easy-to-read reports.
- Add and report on custom fields, brand the layout, and present information directly from the system, without the need for formatting or design work.

### STAY AHEAD OF STAFFING

- Staff planning allows you to view various budget scenarios when it comes to positions and the impact those will have on your overall finances.
- Focus your succession planning on leadership skills over technical savvy. Our badging and training options provide a pathway to product mastery.
