The screenshot displays the 'INCIDENT' entry form in the Skyward system. At the top, there are navigation buttons for 'Next' and 'Cancel'. The form includes fields for 'Entity' (401 - Wardville High School), 'School Year' (2019-2020), and 'Incident Number' (64). Below these, there are radio buttons for 'Incident', 'Referral', and 'Warning'. The 'Incident Date' is set to 08/25/2017 Friday, and the 'Incident Time' is 02:46 PM. A text area for 'Description' contains the text 'Ella was wandering in the hallways.' There are dropdown menus for 'Referred by Type' (Staff), 'Referred By Staff' (Gomez, Will James), 'Incident Location', and 'Incident Building'. An 'Incident Room' field with a prompt 'Please select an Incident Building' is also present. At the bottom, there is a 'Cost' field set to 0.00 and a section for 'OFFENDER / INVOLVED PERSON' with an 'ADD OFFENDER / INVOLVED PERSON' button and a list of names including 'YDD CHALLENGER / INVOLVED MEMBER' and 'CHALLENGER / INVOLVED MEMBER'.

DESIGNED FOR IMMEDIATE RESULTS

Behavior events are time-sensitive and often require rapid action. Skyward designed every aspect of Behavior Tracking to speed up the process. Create custom discipline letters to share with parents and set up automated emails to the necessary staff when infractions occur. The data is easy to get to and easy to analyze, so you can take steps to address recurring issues in any of your schools. Minor classroom referrals can be handled without escalation, giving teachers an invaluable tool in documenting those daily coaching opportunities.

POSITIVE BEHAVIORAL INTERVENTIONS AND SUPPORT (PBIS)

As PBIS continues to gain popularity, we're here to support your efforts. Track fields such as motivation, level, location, and identify which school-wide disciplinary practices are working. Track daily behavioral expectations.

ATTENDANCE COUNTS TOO

When an action occurs that results in a student being removed from a classroom or school (suspension/expulsion), their attendance records will update automatically so you can be confident in the accuracy of the numbers being reported to your state and federal agencies.
