

REPORT CARDS & TRANSCRIPTS

ENJOY CUSTOMIZABLE BRANDING, EXTENSIVE REPORTING OPTIONS, AND UP-TO-DATE TRANSCRIPTS.

- Real-time info without the need for imports
- Store and maintain multiple GPAs
- Add student progress notes
- Personalized branding to keep a consistent look and feel

EASY TO DISTRIBUTE

Cut down on paper and post report cards online, where parents can electronically sign to confirm they've viewed it. Limited access to internet? Districts can also print off and mail report cards.

NUMEROUS REPORTING OPTIONS

Grade analysis by teacher, course, grade, or school for each term. Identify missing grades and incompletes, honor roll and GPA points.

TRANSCRIPTS ON-DEMAND

Print Washington Standardized High School Transcripts and be confident that they are fully compliant with all State requirements. All of the information is already stored in Skyward's Student Management System, so transcripts are always up to date without the need for complicated imports and exports. It's easy to review when and where each transcript has been sent.
