

Purchasing Program

Powered by Your Cooperative!

Your **WSIPC Purchasing Program** leverages the power of the Cooperative to connect Education, Tribal and Public Agencies to a network of competitively bid vendors. Every vendor in the WSIPC Cooperative Purchasing Program has been awarded a bid contract through an official RFP process in compliance with Washington State Procurement RCWs.

- To utilize WSIPC Purchasing Program contracts, entities must have an active purchasing Interlocal Agreement (ILA) in place with WSIPC. Purchasing Interlocal Agreements allow for entities to 'piggyback' or purchase using WSIPC contracts.
- Visit wsipc.org/interlocal-agreements to view a list of all active ILAs.
- To complete an Interlocal Agreement, please contact Cynthia Gefeller, WSIPC Contract Administrator, at cgefeller@wsipc.org.
- Include the WSIPC RFP contract number you would like to utilize on all vendor communications, requests for pricing, proposals, and purchase orders.
